Re EURACT Council meeting Sofia

On behalf of EURACT we would like to thank you for making us so welcome in Sofia.

The organisation was efficient and we felt well taken care of. The hotel was ideally situated with good facilities and excellent food. The evenings' entertainments gave us some insight into Bulgarian culture and folk music. You may be interested to know there has been some discussion in our EURACT WhatsApp group about the particular characteristics of Bulgarian folk music.

Please thank your colleagues at the clinics we visited, this was an important part of the council meeting as it enabled us to understand the context in which family doctors work in Bulgaria. Their enthusiasm for Family Medicine was infectious and they helped us to recognise once again how much we have in common. Thank you also for your talk about Family Medicine in Bulgaria.

We particularly valued the session with your society. This highlighted for us the passion you and your colleagues have for Family Medicine, but also the challenging circumstances in which you are working. If we can offer you and your colleagues any help, please do not hesitate to contact us.

We hope you are recovering from all the hard work required to organise our meeting.

With best wishes,

Jo Buchanan
President
