Bulgarian General Practice Society for Research and Education (BGPSRE)

Dear Assoc. Prof Radost Assenova,

On behalf of WONCA Europe, I would like to thank you for making me so welcome in Sofia, among our dear colleagues from EURACT.

We know that primary care is going through extensive reforms in your country as we speak and we are sure that the BGPSRE is contributing to good content in the family medicine service delivery. Please pass our thanks to your colleagues for their commitment and hard work .

The session with BGPSRE, Euract, MoH, Medical Association, MoE especially with the contribution of Bulgarian GPs from accredited practices made me sure that the enthusiasm is coming from the bottom-up. The accredited practices in PHC setting strongly asking to the academic departments to maintain a good quality teaching in practice to meet educational needs of the GPs, hence to ensure the quality in PHC services in the country. Thank you for sending the valuable Statement which was made together with the Euract. The WE Executive, during the first face to face meeting, will talk on a plan to work with WHO Country offices in supporting the countries for the development of the FM/GP, as we did in Sofia.

We wish you the best of luck on the challenges you face and thank you for all your hard work in the effort to increase the recognition of family medicine. If we can offer you and your colleagues any help, please do not hesitate to contact us.

Sincerely,

Prof. Dr. Mehmet Ungan
WONCA Europe President

Prof. Dr. Eva Hummers
WONCA Europe Honorary Secretary
